ENGINE SPECS

THE CUPRA ATECA IS NOT JUST AN SUV;
IT'S A FORCE, A RAW, UNDENIABLE
ENERGY. BUT WHERE DOES THIS POWER
TRULY COME FROM? IT'S NOT IN THE
OBVIOUS. IT'S NOT IN THE ENGINE ROAR
OR SLEEK EXTERIOR. IT'S SOMETHING
DEEP, SOMETHING VISCERAL. YOU CAN'T
SEE IT, TOUCH IT, OR EVEN NAME IT,
YET THE MOMENT YOU'RE BEHIND
THE WHEEL, YOU FEEL IT.

IT STIRS FROM WITHIN—A FORCE THAT
TRANSCENDS THE PHYSICAL. IT'S THE
ENERGY THAT RISES IN YOUR CHEST AS
YOU GRIP THE STEERING WHEEL. IT'S
THE SILENT STRENGTH THAT PROPELS
YOU FORWARD, MAKING EVERY DRIVE AN
EXPRESSION OF PRECISION AND PASSION.

THE POWER OF THE CUPRA ATECA IS
NOT JUST IN ITS MECHANICS; IT'S IN THE
WAY IT CONNECTS TO YOUR VERY CORE,
AWAKENING YOUR INSTINCTS. THIS IS
MORE THAN A VEHICLE; IT'S AN
EXPERIENCE THAT RESONATES WITH
THOSE WHO DEMAND INTENSITY,
PERFORMANCE AND SPIRIT.

BEAUTY

Power is most beautiful when it's purposeful, when it serves us to move forward with intention and control. CUPRA Ateca's strength is not just speed—it's about balance and precision. Every detail of its performance is designed to push you forward. The CUPRA Ateca turns raw power into a force that moves you, not just on the road, but in spirit. It's the art of power, beautifully channeled, driving you with purpose.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

EXTERIOR STYLING

CUPRA ATECA BLACK EDITION

CUPRA Ateca is back in most striking form. Experience the new Black Edition and discover the perfect fusion of performance, design, and innovation behind the wheel.

SOPHISTICATION AT FIRST SIGHT

With an accentuated and robust bonnet, full LED headlights and contrasting dark aluminium detailing.

PROPELLED BY INNOVATION

Experience better handling and control. The diamond-cut, 20" Exclusive Allow wheels in Black Matt, with a robust aerodynamic design, come with the award-winning performance brakes with Brembo calipers.

WHAT DOES INNER POWER LOOK LIKE?

A double-twin Akropović exhaust system transmits a level of sportive performance far beyond anything you may have expected.

INTERIOR STYLING

INTERIOR COMMAND

Customise the information you need into three widgets via the high-definition 9.2" touch screen. And on the 10.25" Digital Cockpit your drive data is displayed directly in your line of sight, so you can keep your eyes on the road ahead.

SUPERIOR CONTROL

High performance at your fingertips. Start the engine at the touch of a button, shift through gears or select your ideal driving mode using the advanced steering wheel's satellite buttons.

DESIGN FIT FOR THE TRACK

For optimised performance and exclusive aesthetics, pedals with matching footrest combine Dark Aluminium and rubber resulting in sportive driving with a sophisticated twist.

MOOD LIGHTING

Light up the interior your way. Select from a range of ambient lights and form a tonality perfectly fitted to your driving style.

SPORTING COMFORT

The electric sportive bucket seats are designed with the finest fabrics, like the timeless Black genuine leather. Adjust to your preferred setting, so that you always feel comfortable, especially at top speed.

CUPRA ATECA TRIBE EDITION

DISTINGUISHABLE BY ITS UNIQUE FEATURES AND POWERFUL 300HP ENGINE. OUR LATEST EDITION ENTERS A NEW ERA GEARED TOWARDS INSPIRING A MORE PROFOUND DRIVING EXPERIENCE. AVAILABLE IN MOODY SHADES OF DARK FOREST AND MAGIC BLACK, EACH PART OF THE CUPRA ATECA TRIBE EDITION IS REFINED TO THE LAST DETAIL, COUPLED WITH BOLDER ADDITIONS TO REFLECT YOUR DARING SPIRIT.

SIGNATURE EDITION

Exclusive CUPRA lettering in Black Chrome is displayed across the rear of your Ateca Tribe Edition, creating a lasting impression that reinforces your place in the Tribe.

A NEW DIMENSION

Sculpted for something different Light and aerodynamic, with a fierce appearance. The powerful 20" wheels with performance breaks and Brembo calipers in front, as well as a lustrous Matt finish, provoke the ultimate energised performance for your CUPRA Ateca Tribe Edition VZ.

UNRIVALLED EXCELLENCE

A surge of sophistication. The finest quality interior in Dinamica Black beckons you in and pairs perfectly with sportive Bucket seats for an exceptional driving sensation.

NEW ADDITION TO THE CUPRA FAMILY

DISCOVER OUR SUV WITH ENGINES NOW AVAILABLE IN 150HP, AND 190HP WITH 4-WHEEL DRIVE. THE NEW CUPRA ATECA BOASTS SLEEK EXTERIOR STYLING, WHILE A SMALLER ENGINE PROVIDES INCREASED SUSTAINABILITY AND REDUCED EMISSIONS ON YOUR ESCAPADES.

FAMILY

SUPERIOR CONTROL

High performance at your fingertips. Start the engine, shift through gears and select your driving modes using the satellite buttons positioned on your steering wheel.

DISTINCTIVE DESIGN

Adapted to meet the cooling requirements of your choice of engine, the new lower front grille with integrated air vents and new rear diffuser set off your Ateca's dynamic drivability and sportive aesthetic.

POWER

Beneath the CUPRA Ateca lies a force waiting to be unleashed. With up to 300 horsepower coursing through its veins, this isn't just power—it's performance in motion. Feel the surge of 400 Nm of torque, pushing you forward with relentless energy, as if the very air bends to your will. In just 4.9 seconds, you're launched from stillness to 100 KPH. This is not a mere number. This is power in its purest, most dynamic form.

PERFORMANCE HIGHLIGHTS

PERFORMANCE UNVEILED

The CUPRA Ateca gives you fully dynamic driving thanks to a DSG automatic gearbox, with four-wheel-drive technology, DCC suspension and performance brakes with Brembo calipers. And underneath it all, a powerful 300 HP engine with 6 driving modes: taking you 0 – 100 km/h in just 4.9 seconds.

FULLY HARNESSSED

Revel in the CUPRA Ateca's high-performance power. The CUPRA Drive mode modifies your setup, creating a more exhilarating driving experience and enhancing the roar of the engine.

INNOVATION

Innovation in the CUPRA Ateca isn't just about features—it's about creating a deeper connection between you and the vehicle, transcending the mechanical to something almost intuitive. In this fusion of human and machine, you don't just operate the CUPRA Ateca—you become one with it. Advanced safety systems keep you protected. Connectivity features link you seamlessly to your surroundings. You can focus on the journey, now you're in control.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

TECHNOLOGY

CONNECTIVITY BOX

Place your smartphone in the Connectivity Box to sync, charge seamlessly and stay in touch with your world.

IMPECCABLE PARKING

Cameras on the front, rear and exterior mirrors give you a 360° view of your car's surroundings. So parking your CUPRA Ateca is always a pleasure.

CUPRA SOUND

CUPRA Sound System redefines the acoustic experience. Our immersive technology blends design and advanced elements to deliver pure sonic power.

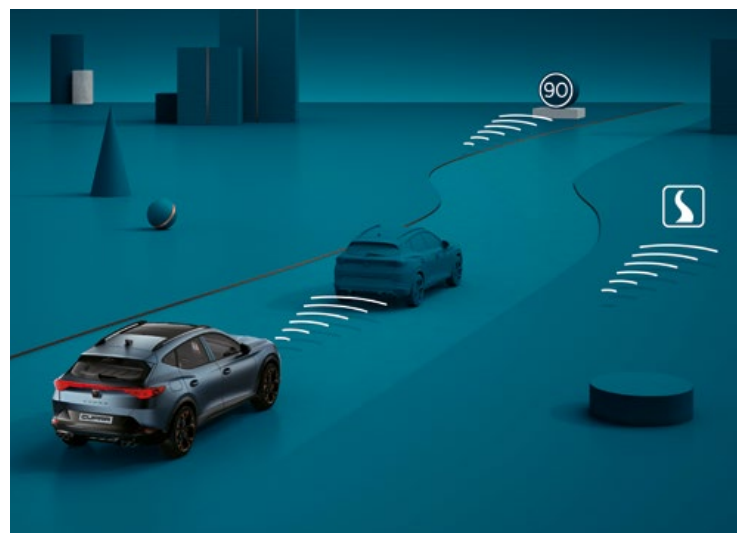

SAFETY

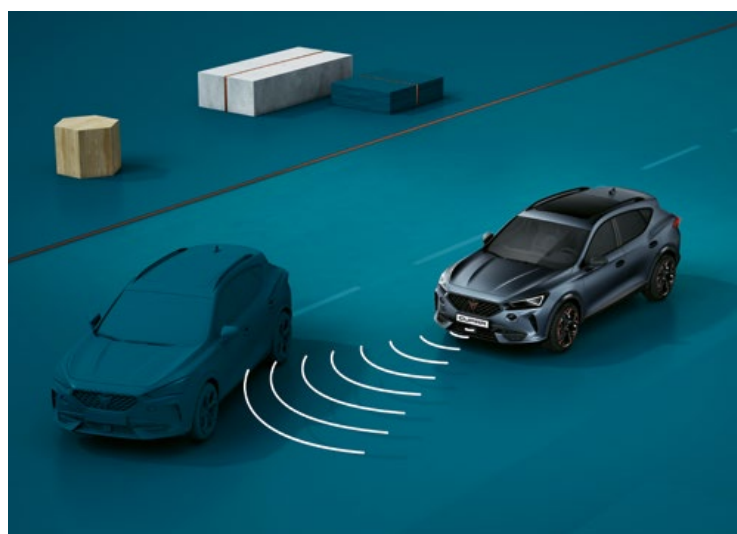

ACC PREDICTIVE

Keep aware of surrounding cars, upcoming bends or speed limit changes and have your course corrected accordingly.

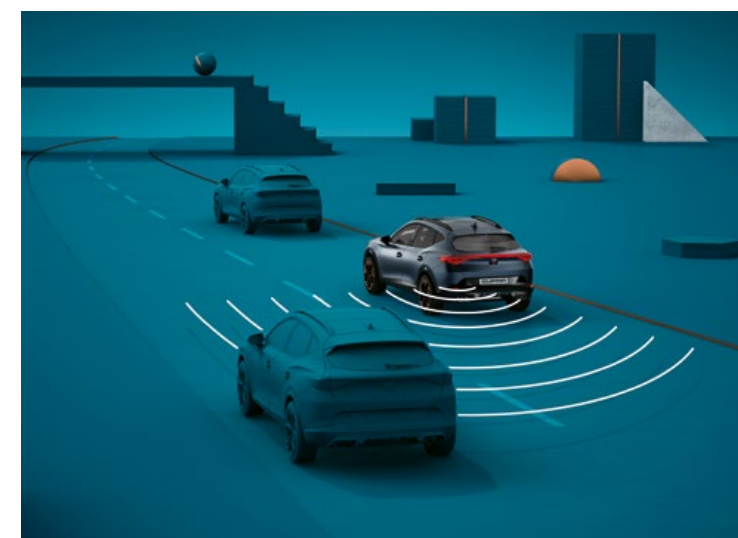

FRONT ASSIST

Potential collisions are prevented when autonomously cruising with ACC Predictive. The CUPRA Ateca keeps your set limit and will even automatically stop should your reactions falter.

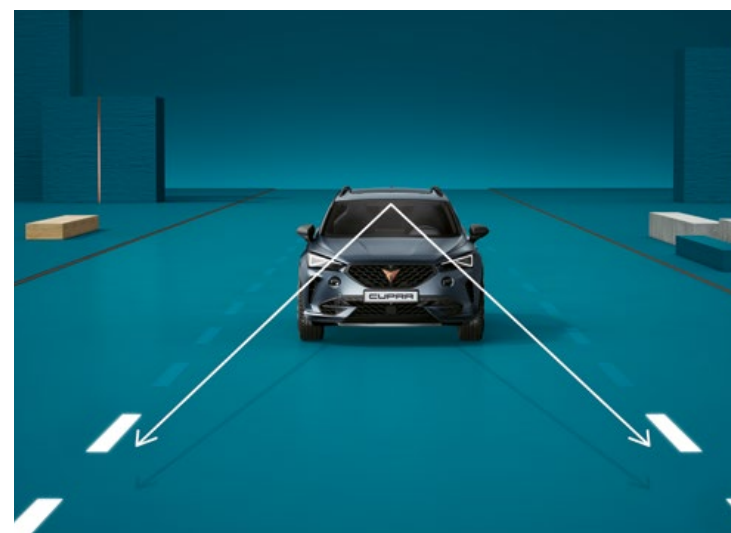

EXIT ASSIST

This system warns you of upcoming traffic behind you, meaning you'll never have to worry about the blind spot.

LANE ASSIST

With corrective steering technology, Lane Assist keeps you in your chosen lane, making an effective contribution towards the prevention of accidents.

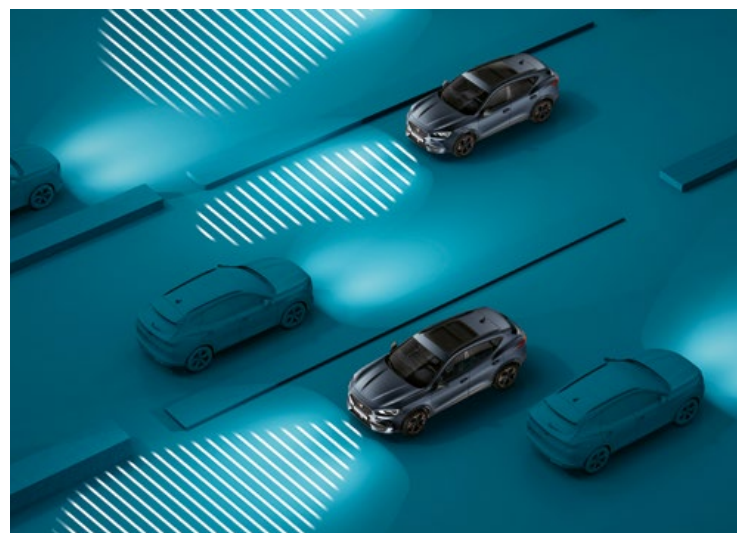

SAFETY

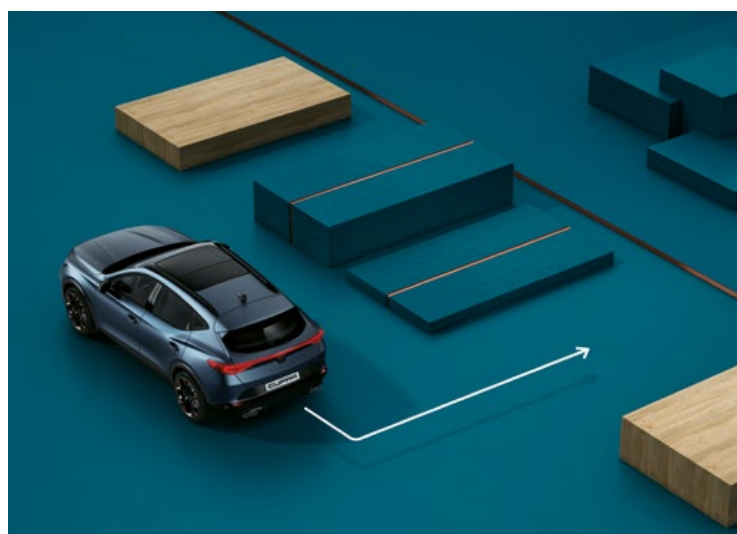

LIGHT ASSIST

The CUPRA Ateca is equipped with Light Assist and uses a windscreen camera to detect traffic around you, automatically switching from main beam to avoid dazzling oncoming traffic.

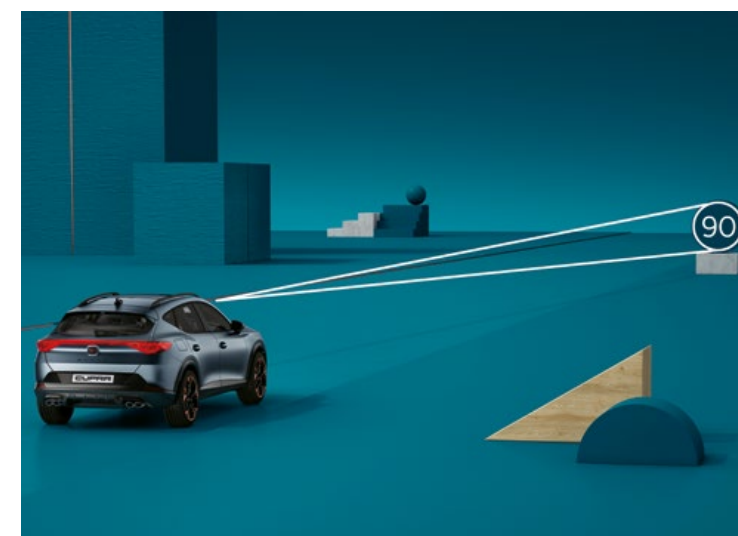

PARK ASSIST

Park Assist gets you in and out of your parking spot with autonomous ease, by measuring the distance between the back of your CUPRA Ateca and taking control of steering so that all you have to do is accelerate or decelerate.

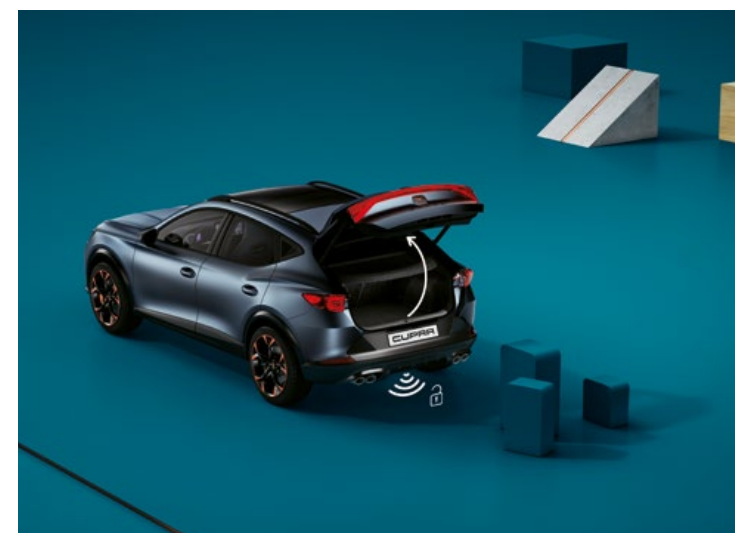

TRAFFIC SIGN RECOGNITION

With built-in Traffic Sign Recognition technology, the integrated front camera lets you see upcoming speed limits and overtaking restrictions via your Digital Cockpit.

VIRTUAL PEDAL

Got your hands full? Just put your foot under the Virtual Pedal sensor at the rear of your CUPRA Ateca to open the boot automatically.

CUPRA CONNECT

A seamless link to your car and to the world from anywhere. From real-time updates and alerts to navigation and music services, keep constantly informed.

ALWAYS COVERED

If you have any questions about CUPRA CONNECT services, you can speak directly to a CUPRA customer care agent via your car's voice connection feature. Additionally, with the Breakdown Call feature, all relevant data is sent directly to the Roadside Assistance Call Centre, making it quicker to locate you and bring you to your closest service partner.

ANY PLACE, ANY TIME

Stay connected to your CUPRA with Remote features on the My CUPRA app*. Spot your car in the crowd, lock and unlock remotely and receive anti-theft and speed alerts*.

ALWAYS INFORMED

Access real-time traffic updates and benefit from automatic route optimisation with online navigation and infotainment services.

LEISURE

Live it your way. Giving you complete freedom to go when and where your impulse takes you. There exists no better time than right now to explore in a way that perfectly echoes who you are. Accumulate endless experiences and do it with the utmost ease and style.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

FUNCTIONAL ACCESSORIES

EFFORTLESS ESCAPADES

Ease and accessibility. The CUPRA Extendable Ski & Snowboard Rack lets you load and unload without having to lean over the car roof.

SHIELDING FRONT MUDFLAPS

Protect the underside of your Ateca from dirt and unexpected impacts. With these shielding front mudflaps, your car stays secure and well-guarded.

ENVIRONMENTAL INFORMATION

LIGHTING

Headlamps and rear lamps are 100% LED, increasing life service by up to 10 times. For headlamps, the luminous flux effectiveness is increased at least 30% in comparison to a halogen lamp.

ENGINES

Diesel: 2.0l Diesel engines allow the use of R100 fuel. R100 is made from 100% renewable raw material (Hydrotreated Vegetable Oil, HVO), achieving a reduction of up to 90% in CO₂ emissions during its production, compared to a conventional fuel.

Carpets contain a minimum of 29% recycled nylon ECONYL® yarn (nylon from discarded fishing nets and textile fibres from old carpets).

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

SEAT S.A.'s environmental mission.
Protect Climate. Conserve Resources. Preserve Ecosystems. Ensure Environmental Compliance.

TECHNICALS

Discover all the technical specifications by engine type, from emissions and consumption data; to performance statistics and transmission types.

Here you'll find all the technical aspects covered so you can make an informed selection when it comes to your CUPRA Ateca.
