CHOOSE ANOTHER WAY

AT CUPRA, WE EMBRACE
UNCONVENTIONAL PATHS. AND
AS WE WELCOME IN THE AGE OF
ELECTRIFICATION, THERE'S NEVER BEEN
A BETTER TIME TO BREAK THE MOULD.

THE CUPRA EXPERIENCE FOR BUSINESS
& FLEET RANGE GIVES YOUR FORECOURT
AN EDGE. CARS CRAFTED WITH
DISTINCTIVE LOOKS THAT MAKE
A DIFFERENT KIND OF STATEMENT.
FOR THOSE WHO ARE FUTURE-FACING,
INSPIRING AND PERFORMANCE-DRIVEN,
THOSE WHO DISRUPT THE STATUS QUO
AND CHOOSE AN ENTIRELY DIFFERENT
PATH TO SUCCESS.

YOUR BUSINESS. YOUR CAR. YOUR WAY.

IT'S TIME FOR DIFFERENT

The business playing field is constantly changing. And so is mobility. With CUPRA you're at the forefront of a new era.

Look different. With unique and sophisticated styling that stands out on the road.

Drive different. With advanced technology, connectivity and comfort.

Act different. With emission-free fully electric and e-HYBRID options that make another kind of statement.

Choose CUPRA and choose another path to take your business on. Ready for change?

WHY CUPRA
EXPERIENCE?

SERVICES TO KEEP YOU ON THE PATH TO SUCCESS

FOCUSED ON DETAILS, FOR BIG GROWTH

- **CUPRA DRIVERLINE**
Is your company constantly on the go? CUPRA Driverline provides a single contact number for 24-hour breakdown and repair support, 365 days a year.
- **FIXED SERVICE PRICES**
We guarantee zero change in cost for the duration of the contract term. No surprises. Just pure peace of mind.
- **FLEET SERVICE ADVISORS**
Planning for the long term? CUPRA for Business experts assist you every step of the way.
- **RESIDUAL VALUE**
Certified stamps assure the best residual value of your vehicle with every visit.

SERVICES TAILORED TO YOU

- **WARRANTY EXTENSION**
Extend your 2-year manufacturer's warranty for 1, 2 or 3 years, or up to 100,000 km. It's your call.
- **CUPRA INSURANCE**
Round-the-clock customer service. Authorised workshops using only genuine CUPRA parts. Fitted by experts who know what's best for your fleet.
- **CUPRA MOBILITY SERVICES**
Enjoy the complete freedom of comprehensive, reliable roadside assistance. Day or night, we're here for you. Courtesy car at your disposal while your fleet vehicle undergoes maintenance.
- **CUPRA SERVICE & MAINTENANCE**
Customise your maintenance plan to fit your business needs.

ANYTIME, ANYWHERE

Your business is on the move. And with our exclusive B2B certified service centres network and framework agreements in over 75 countries, it never has to stop.

TECHNOLOGY TO IMPROVE EVERY ASPECT OF DRIVING

- **DIGITAL COCKPIT**
Displays all the detail you need without you losing focus on the road ahead.
- **ONLINE INFOTAINMENT SYSTEM**
Full navigation via the 12" touchscreen* with connected mapping services.
- **AUTONOMOUS PARKING & TOP VIEW CAMERA**
Just choose your space and let Park Assist guide you in autonomously.
- **PARKING HEATER**
Set to go. Warm your engine remotely before stepping in. Perfect for colder days.

*Only available for CUPRA Formentor.

CONNECTED TO YOUR LIFE AND WORK

Access online services through the CUPRA CONNECT App, MyCUPRA Portal or the Infotainment System for a seamless workflow between driver and car.

SAFETY & SERVICE

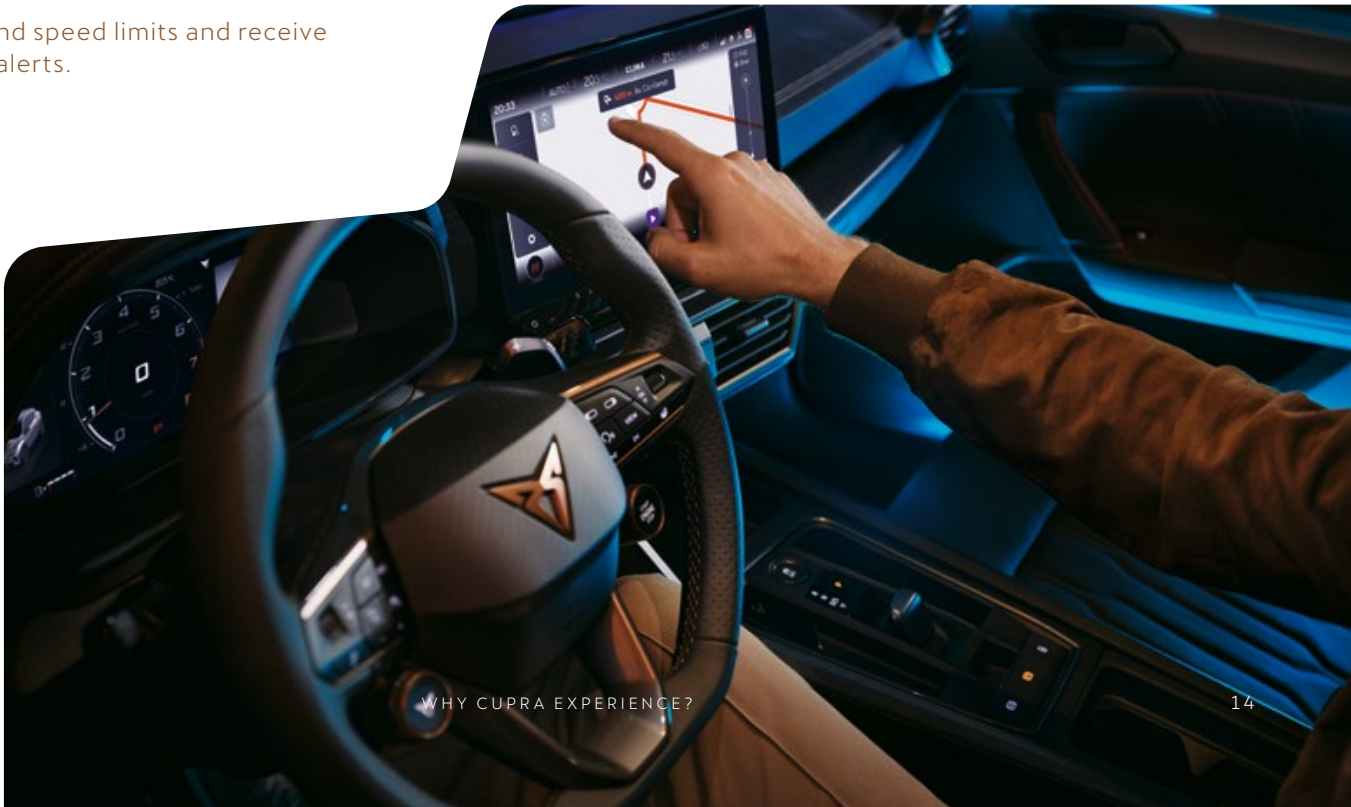

- In case of an accident, emergency services will be automatically notified.
- If a breakdown happens, your data is sent directly to the CUPRA call centre to arrange help.
- Keep your car in top condition with Service Scheduling. Book an appointment at your preferred partner whenever a warning light is activated.

REMOTE ACCESS

- Check your car's status, lock & unlock remotely, set the temperature, review fuel or battery levels and more.
- Find your last parking position.
- Set area and speed limits and receive real-time alerts.

ONLINE INFOTAINMENT

- Find the closest petrol stations, charging stations and prices.
- Beat the traffic with real-time updates.
- Searching for a parking space? Check prices and opening hours.
- Plan and customise your daily work from home via the CUPRA CONNECT App.

ADVANCED SAFETY TO PUT YOUR MIND AT EASE

The latest in driving safety technology ensures there'll be no surprises while you're focused on the task at hand.

- EXIT WARNING
Stops you opening your car door onto oncoming traffic or cyclists.
- FRONT ASSIST
Prevents collisions by automatically stopping.
- SIDE ASSIST
Automatically warns you if anything enters your blind spot.
- REAR TRAFFIC ALERT
Scans your blind spot when reversing out of a tight space, recognising vehicles approaching in cross-traffic behind you. The system warns you, and if you don't react, can even apply the brakes.
- PEDESTRIAN PROTECTION
Stops your CUPRA if necessary to protect pedestrians.
- ACC
Keeps you at a safe distance from the car in front while adjusting speed according to curves and speed limits.
- LANE ASSIST & ROADWORKS ASSIST
The camera detects road markings and warns you if you're about to cross a line, actively correcting steering to keep you on track. Recognises provisional signage like barriers and guardrails.
- PRE-CRASH ASSIST
Pre-emptively closes windows and tightens seatbelts.

EFFICIENT ENGINES

ELECTRIC POWER THE CUPRA WAY

Pure innovation with CUPRA performance and electric benefits: from maximum engine torque to lower emissions.

OUR ELECTRIC ENGINES

- e-HYBRID
The CUPRA Leon 5D & Leon SP (204 HP and 245 HP) and the CUPRA Formentor e-HYBRID (204 HP and 245 HP) have a fully electric range of 60 km.
- ELECTRIC ENGINE (BEV)
Drive emission-free all the time with CUPRA's newly arrived 100% electric car: the CUPRA Born. With up to 548 km range and 150-231 HP.

BENEFITS

Better performance and a better environment. Electric mobility offers smarter and sustainable travel with benefits.

- DISCOUNTS / FREE PARKING
Gain access to discounted and free parking with lower costs on toll roads.
- NO MORE RESTRICTED ZONES
Right to the core. Drive wherever you like in the city.
- SUBSIDIES & TAX EXCEPTION SCHEMES
Benefit from a subsidy¹ when you buy your car along with additional tax exemption programs.
- FREE PUBLIC CHARGERS
Take advantage of free public chargers to power up your CUPRA electric car for free.

¹ Subsidies may vary as per geographical region.

CUPRA CHARGING SOLUTIONS

Get where you're going and know that you'll always find a place to charge.

THE CUPRA CHARGERS POWERED BY ELLI

Compact solutions for powering up your CUPRA at home or work providing a range of benefits.

- **FASTER**
The CUPRA Charger by Elli is up to 8 times faster. Power up fully in just 3 hours 40 minutes*.
- **CONNECTED**
Charge from your phone with the Elli's CUPRA Easy Charging App: manage power remotely and whenever you like.
- **SAFER**
Prevents electrical overload with tested charging that adheres to strict safety regulations, even during a power cut.
- **WORRY-FREE**
You're in good hands. With added battery care, professional installation, logistics, warranty and customer support all taken care of.

*Charging times vary in relation to the following factors: external temperature, battery temperature, maximum voltage of your charger system and condition of charger and battery. partner whenever a warning light is activated.

CHARGING SOLUTIONS

- **CUPRA CHARGER BY ELLI**
The best solution to charge safely, easily and quickly. Available in 1-phase and 3-phase versions for up to 11kW AC.
- **CUPRA CHARGER CONNECT BY ELLI**
Connects to your home and company network for remote manageability. Letting you check updates & data via your smartphone. Unlockable with an RFID authentication card.
- **CUPRA CHARGER PRO BY ELLI**
All the benefits of the CUPRA Charger Connect powered by Elli adding LTE connectivity when a WIFI network is not available & a certified MID electric meter. Also allows you to monitor consumption for further control over car usage.

CUPRA MODELS

IF UNCONVENTIONAL IS WHAT
YOU'RE LOOKING FOR, YOU'LL
FIND IT IN A CUPRA MODEL.

THERE'S SOMETHING UNIQUE
FOR EVERY BUSINESS AND EVERY
PROFESSIONAL.

CUPRA
FORMENTOR

DISRUPT CONVENTIONS, FEEL ALIVE

Embodying uniqueness purposefully crafted around the thrill of driving. Progressive design gives sophistication a modern twist. Advanced technology, safety features and connectivity go beyond the expected. An e-HYBRID option delivers pure driving pleasure with zero emissions. Ready to set a new precedent?

KEY FEATURES

- Engine type:
- 1.4 TSI e-HYBRID 150 kW (204 HP) DQ Front
 - 1.4 TSI e-HYBRID 180 kW (245 HP) DQ Front

Gearbox available: DSG and manual
Boot capacity: 345l
Number of seats: 5

STATE-OF-THE-ART TECHNOLOGY

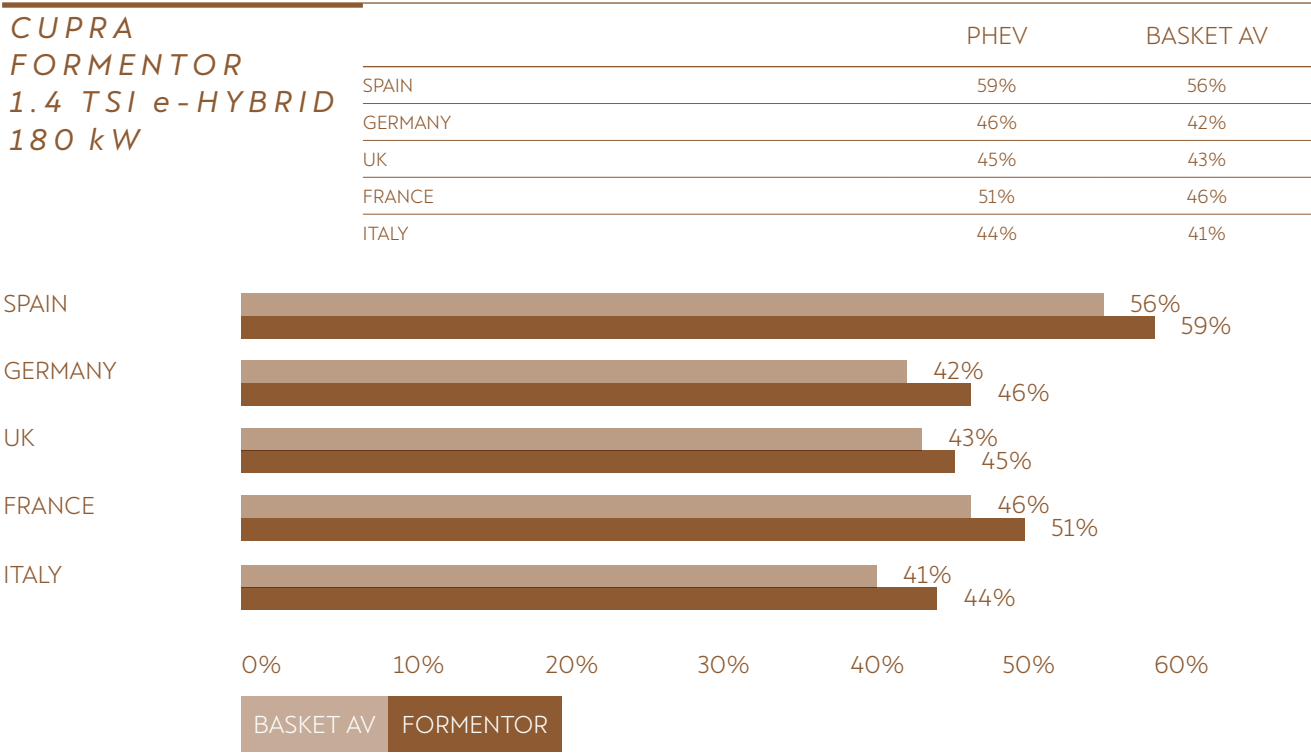

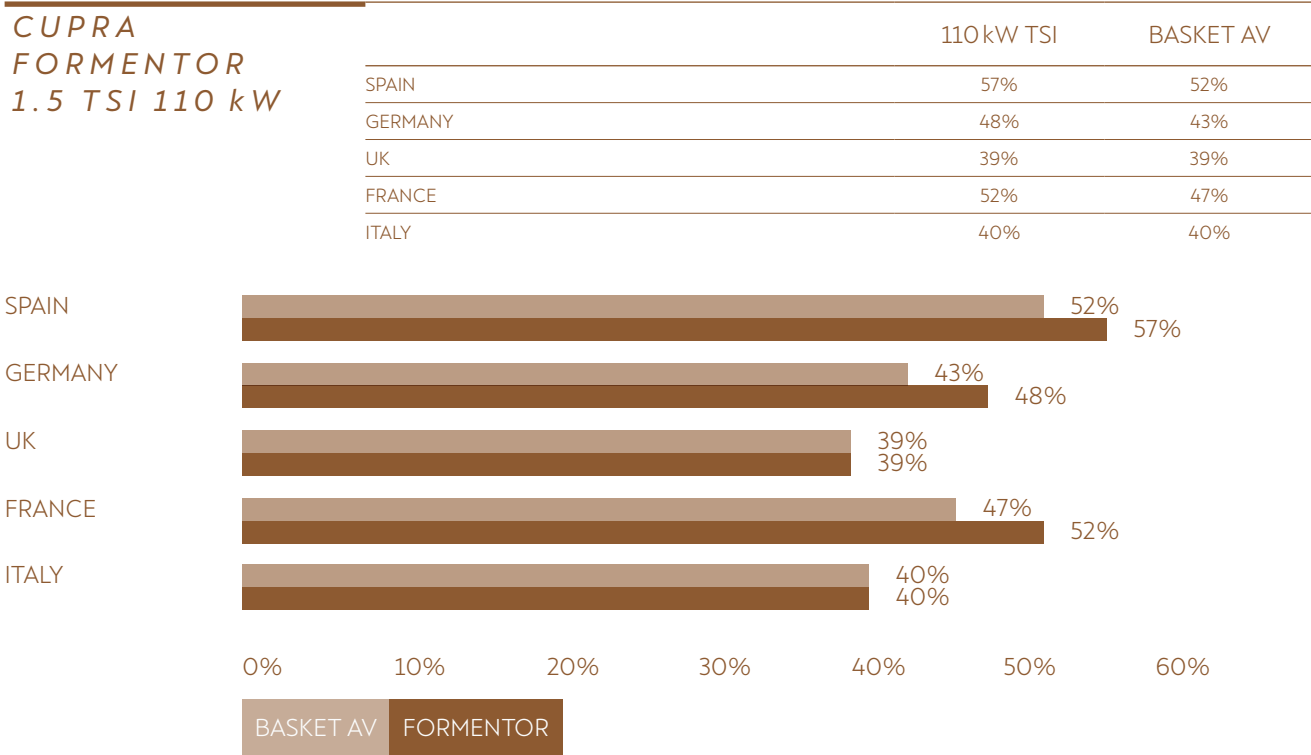

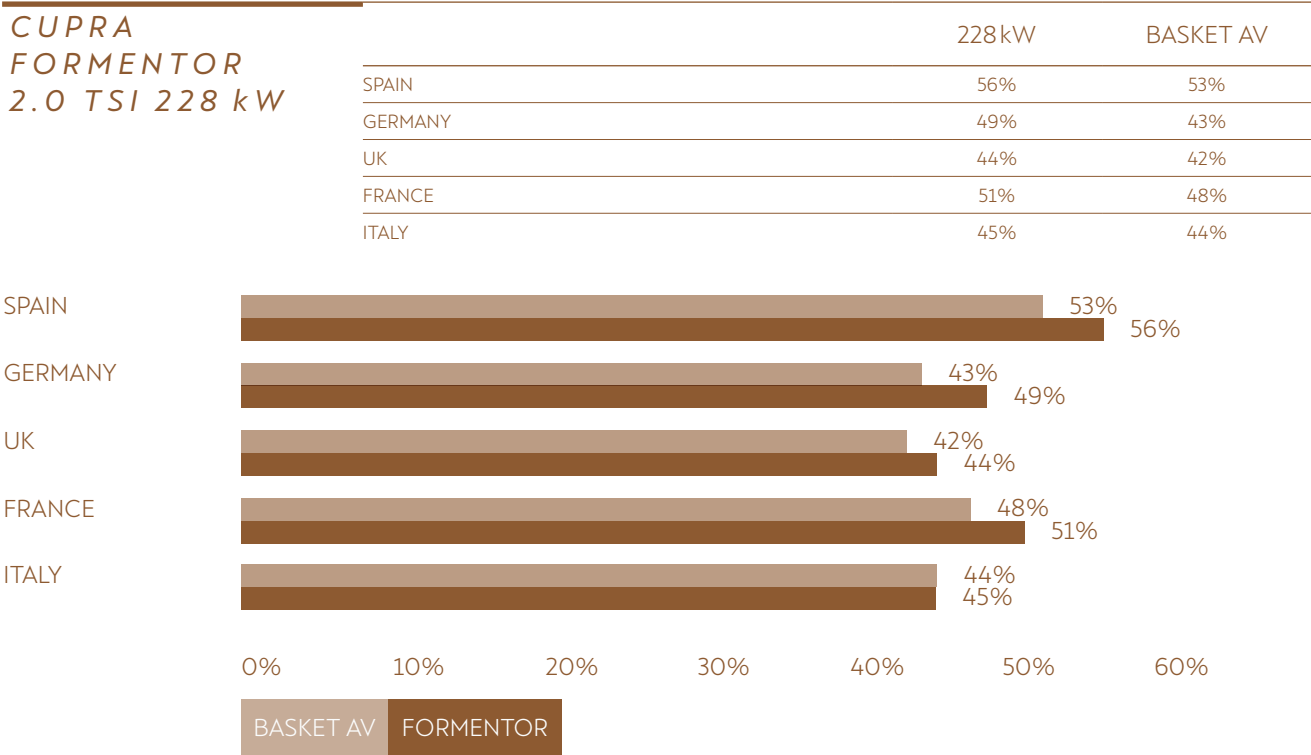

- A 10.2" Digital Cockpit displays all the detail you need.
- Full navigation via the 12" touchscreen with connected mapping services.
- With autonomous and safety functions that manoeuvre for you.
- ACC Keeps you at a safe distance from the car in front while adjusting speed according to curves and speed limits.
- Travel Assist alerts you when crossing the line to keep you in the right lane.
- Traffic Sign Recognition provides visual cues for speed limits.
- Front Assist prevents collisions by automatically stopping.
- Choose a space and let Park Assist guide you autonomously.
- Exit Warning stops you opening your car door onto oncoming traffic or cyclists.
- Pre-crash pre-emptively closes windows and tightens seatbelts.
- To ensure your safety, Emergency Assist brakes twice gently to give a warning when necessary, or slows down automatically to bring your Formentor to a complete stop.

DRIVE CONNECTED

- Access your Formentor remotely through the CUPRA CONNECT App.
- Enjoy online infotainment on the move.
- Smart safety features send data and make emergency calls.

At CUPRA we know how important the Total Cost of Ownership is to our clients. We are doing our utmost to be able to offer you the most cost-effective pack by improving all factors in the calculation. Residual Value corresponds to nearly 50% of TCO. Therefore, increasing Residual Value by 1% decreases TCO by 0.5%. To get a better idea of the savings, see the RV advantage of the CUPRA Formentor compared to its core competitors.

DRIVE CONNECTED

Always fully connected to the world, never out of touch with your business.

- Access your Leon remotely through the CUPRA CONNECT App.
- Enjoy online infotainment on the move.
- Smart safety features send data and make emergency calls.

STATE-OF-THE-ART TECHNOLOGY

- A 10.2" Digital Cockpit displays all the detail you need.
- Full navigation via the 12" touchscreen with connected mapping services.
- With autonomous and safety functions that manoeuvre for you.
- ACC Keeps you at a safe distance from the car in front while adjusting speed according to curves and speed limits.
- Travel Assist alerts you when crossing the line to keep you in the right lane.
- Sign Recognition provides visual cues for speed limits.
- Front Assist prevents collisions by automatically stopping.
- Choose a space and let Park Assist guide you autonomously.
- Exit Assist stops you opening your car door onto oncoming traffic or cyclists.
- Pre-crash pre-emptively closes windows and tightens seatbelts.
- To ensure your safety, Emergency Assist brakes twice gently to give a warning when necessary, or slows down automatically to bring your Leon to a complete stop.

CUPRA ATECA

POWER COMES FROM WITHIN

The CUPRA Ateca has ambition at its core, synonymous with those who reach within to defy convention and go about business in their own way. A powerful SUV with 4Drive, it's capable of conquering any terrain. Be bold, be unique, and take the unexpected route. Because conventional is so last year.

KEY FEATURES

Engine type:
• 2.0 TSI 221kW DQ 4Drive

Gearbox available: DSG
Boot capacity: 485l
Number of seats: 5

DRIVE CONNECTED

Always fully connected to the world, never out of touch with your business.

- Access your Ateca remotely through the CUPRA CONNECT App.
- Enjoy online infotainment on the move.
- Smart safety features send data and make emergency calls.

STATE-OF-THE-ART TECHNOLOGY

- Customise the information you need on your 9.2" HD touch screen.
- A 10.25" Digital Cockpit displays driving data directly in your line of sight, so you can keep your eyes on the road ahead.
- Exit Assist stops you opening your car door onto oncoming traffic or cyclists.
- To ensure your safety, Emergency Assist brakes twice gently to give a warning when necessary, or slows down automatically to bring your Ateca to a complete stop.
